## 14th Annual Home Grown Farm Tour

Explore Farm Country and Celebrate the growing season in Historic Washington County on Saturday, August 26th by attending the 14th Annual Home Grown Farm Tour. The event kicks off at the Washington County Courthouse Farmer's Market in Potosi, MO on Saturday morning. There will be a Taste of Washington County Farm and Craft Marketplace, 8am-3pm, sponsored by Naturally Meramec with information booths and local vendors from the region along-side market delights of produce, homemade jams, breads and honey.

Naturally Meramec is a movement in the Missouri Meramec Region (Crawford, Dent, Gasconade, Maries, Osage, Phelps, Pulaski and Washington Counties) that works to capture the uniqueness of the region by promoting local products and services, assisting small farms, tourism and culinary businesses through collective marketing efforts.

We also invite our Farm Tour Visitors and Friends to join us for the Festival Party and Live Auction at Edg-Clif Winery on Saturday Aug 26th at 6:30pm. No ticket required for the Live Auction and The Sounds of WashCo Music Event.. Please arrive with enough time to sign up for the Auction and be ready for the action.

Pick up your maps for the free self-guided Home Grown Farm Tour at the Washington County Chamber of Commerce Booth in the Town Square.

## Taste Local at Food Stops & Field Dinner Farm Festival & Live Auction
